BRIDAL PACKAGES*

Bridal packages are per consultation only. To meet every bride’s needs, we encourage you to call and reserve a consultation for a complete Tour De Force when it comes to your Special Day. Get pampered with your bridesmaids, friends & family members. We are here to serve you and make your pre-wedding arrangements memorable.

At CHRISTIE-ADAM Salon & Spa, your wish is our command. Our professional technicians are trained in various areas of expertise. Please inform our salon coordinator of your hair type, style, and any previous treatment you may have had, so you are accommodated with the stylist who specializes in your specific needs. All of our stylists are equally in demand for their services; prices may reflect the demands accordingly.

*A 50% non-refundable deposit is required for Bridal parties and/or group events at time of scheduling.

SPECIALTY COLOR-WORKS & FORMULATIONS

Color formulating in a different approach initiated by locking and sealing essential hydration and radiance, introducing a nourishing track to the color process. The objective is to build a color mixture that begins with the health of the hair first and foremost, providing vibrancy, sheen and intense radiant color.

*Essential organic & botanical oils (sage, rosemary, juniper, castor oils and plant extracts) *added within the color mixture*, optimizing moisture and sheen, to protect, preserve, and prolong the vibrancy of all shades of color chosen by the colorist and the client \$ 92

*Hydrating infusion of flower and root extracts (Phyto 7) lightly applied as a cream on the hair prior to color, “Huile D’Ales” (essential oil extracts) added into the formulation of color; accompanied by ultra nourishing Karité masque formulated with shea butter, cashew and pastel oils loaded with *fatty acids* including tocopherol (vitamin E) *antioxidant*, applied after the color application to replenish luster & shine, making this color formulation an intensive hydrating experience \$ 104
